FORMS OF ASSISTANCE

County Child Care Subsidy

Many local counties have child care assistance programs that they offer to subsidize working families in need of child care. As the YMCA is a licensed child care program through NYS Office

of Children and Family Services, our before & after school, vacation and summer day camp programs qualify for child care subsidies paid through the county. We currently accept subsidies for Madison, Oneida, Chenango and Onondaga Counties.

Families in need of Financial Assistance are encouraged to apply for county assistance before applying for YMCA Financial Assistance.

If you are currently receiving Department of Social Services temporary assistance, contact your caseworker to begin the child care assistance process.

If you are *not* currently receiving Department of Social Services benefits, contact your county's Department of Social Services Child Care Assistance division to apply.

MISSION MOMENT

Throughout the course of the year, the YMCA holds the "Changing Lives Campaign." Many organizations and private donors give towards this campaign to provide essential programs and services to those who would otherwise be unable to attend.

The YMCA is thankful for all of those who donate towards our annual campaign and provide the necessary funding to help this children in our community.

The Oneida Y is a proud recipient of The United Way of Greater Oneida and thanks them for their annual commitment to School Age Child Care and Summer Day Camp scholarship funding.
