The recipe for a wonderful childhood includes adventure, learning, safety, friends, and fun! The YMCA of the Greater Tri-Valley uses these components to design our Summer Day Camp program, which will help your children grow by nurturing a sense of belonging as they meet new people and develop lifelong friendships. We have become more intentional in these areas by adding more opportunities for our campers.

All of our staff aim to create a fun, adventurous atmosphere so all campers will have the best summer ever! Before your child arrives at camp, our team is trained according to the NYS Office of Children and Family Services and Department of Health regulations, CPR, AED, First Aid, Child Abuse Prevention, and more.

Our exciting activities will draw your child in, but the relationships formed at camp are why they want to come back year after year. We look forward to making new memories with your camper! Find your fun here at the YMCA of the Greater Tri-Valley Summer Day Camp!

Sincerely,

Holly Panebianco
